Brianna asked me to send you the workplan for rad work. The SUPRA documents have been updated over time. I have attached 2011 and 2015 versions. Below are some links from Envirostor:

Here is Revision 3, 2011:

http://www.envirostor.dtsc.ca.gov/public/final_documents2.asp?global_id=38440002&doc_id=60273945

This also says "Revision 3, but it is dated 2010:

http://www.envirostor.dtsc.ca.gov/public/profile_report.asp?global_id=38440002

This is the 2006 action memo, but it doesn't include workplan details

http://www.envirostor.dtsc.ca.gov/public/final_documents2.asp?global_id=38440002&doc_id=60267150

RASO told us last wk that SUPRA Rev 1 would be the workplan that applies to Tetra Tech work, but I didn't find it in EnviroStor. I will have to look in another place for it.
